## Parental Responsibility - England & Wales

This flow chart highlights situations where a father may not have automatic parental responsibility if his unmarried partner dies. In these cases, it is advisable that the mother grants parental rights to the father in case anything happens to her.

The chart assumes that the parent has not legally lost parental responsibility, and doesn't give details of parental responsibility rights for carers.

The Woodham Partnership Limited is an appointed representative of The On-Line Partnership Limited which is authorised and regulated by the Financial Conduct Authority. Registered in England & Wales No. 5316578
